panel products from patriot timber

RevolutionPly®

U.S. Patent Numbers 8,414,996, 9,242,391, and 12,312,501

12 mm & 18 mm

Features:

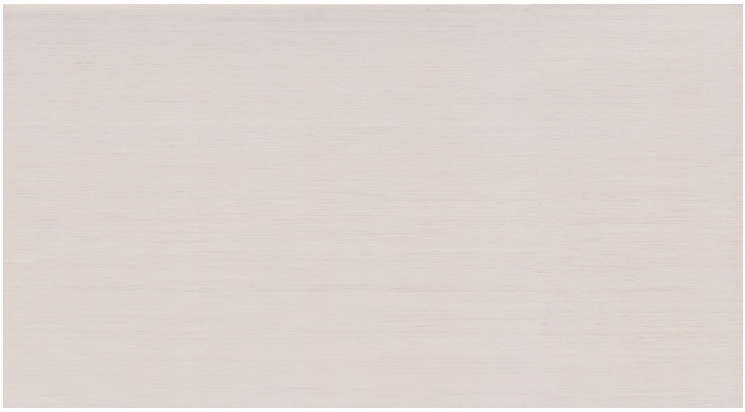
- **Go Green** – All the veneers in *RevolutionPly*® plywood come from plantation and sustainable wood sources. *RevolutionPly*® plywood contains no tropical species.
- **Multi-purpose Panel** – *RevolutionPly*® panels are ideal for a variety of interior applications, including cabinetry, furniture, millwork, paneling, and woodworking projects*.
- **NGBS Green Certified** – *RevolutionPly*® plywood is certified for points toward ICC-700 National Green Building Standard™ (NGBS).
- **Third Party Certified** – *RevolutionPly*® plywood has been given a low risk assessment for legal and environmental issues related to its wood sourcing.
- **Premium Grade and Appearance** – 100% uniform white color from sheet to sheet. Every panel has an "A" grade white wood veneer face that readily accepts all types of finishing materials including conditioners, stains, glazes, clear coats, primers, and paints.
- **Strength & Stability** – Multi-ply construction with machine-dried wood veneer cores.
- **Easy to Use** – Smoothly sanded, defect free face and back for ease of cutting, finishing, and applying adhesives.
- **Best Packaging in the Industry** – All crates of *RevolutionPly*® plywood include two layers of packaging for complete product protection and damage-free arrival.
- **EPA TSCA Title VI Compliant**

Specifications:

- Thicknesses: 12 mm and 18 mm
- Size – 4' x 8'
- 12 mm – 30 pcs per crate
- 18 mm – 20 pcs per crate
- EPA TSCA Title VI Compliant

*Panels are designed for interior applications only (not for direct exterior exposure).

***RevolutionPly*® Face**



***RevolutionPly*® Back**
